

THE MOSCOW WORLD FINE ART FAIR 2007

SHIPPING INSTRUCTIONS FOR ARTWORKS

Expositions Natural le Coultre SA, offers you logistics services for a door to door transportation of your artworks by trucks from Geneva/Paris to Moscow and return. Our services cover all areas of fine art logistics:

- Custom clearance and re-exportation in Moscow, as well as transit formalities
- Delivery to your booth and pick up after the fair
- Unpacking and repacking, installation by our special packers, from Switzerland and France, on request
- Transport insurance, on request

Exhibitors are requested to provide us a list with a description of each item and a photograph, 6 weeks prior to the beginning of the fair.

All items should be available in Geneva or Paris, 2 weeks before departure of trucks schedules around May 14th, 2007.

By experience we recommend exhibitors from others countries than Switzerland and France, to consolidate their shipment in Geneva.
